October 2020 Newsletter

Your children have adjusted well to their new teachers, friends and routine during the month of September. You have done a terrific job of reassuring your child(ren) that you will return to reunite with them as soon as school is over. The children appear to feel secure and free to explore their new classroom, make new friends and develop new skills. Thank You so much for all of your help and support. We are looking forward to a wonderful school year with your children.

Harvest will be exploding in the kindergarten classroom during the month of October! Spiders, bats, owls and pumpkins are just some of the preschool themes we will be focusing on as we approach Halloween. Children and teachers will be celebrating the holiday by coming to school in their favorite costume on October 29th and 30th.

Have a wonderful month,

Kerry Roman, Preschool Director
