Mrs. Varela, Mrs. Ramirez,  
Miss Washington & Teacher Diane

The school year is drawing to a close and I can't believe how fast it has gone by! It seems like just yesterday we were greeting our new classes and looking forward to the fun we would have. To those moving on to new schools, it has been a pleasure having you with us and we wish you well. Come back to visit and let us know how you are doing. To those who will be returning next school year, we look forward to spending another fun, exciting and successful year with you!

I wish to express my thanks to our parents, guardians, teachers and staff for a wonderful year. It has been an honor in every way! This is truly a special place and I am proud to be a part of it. On behalf of the staff and myself we wish you all a safe and happy summer!

God Bless

### End of the year poem

You are a very special person  
And you should know,  
How I loved to have you in my care  
How fast the year did go!  
Please come back to visit me  
As through the grades you go  
Try hard to learn all that you can  
There's so much to know  
One thing I tried to teach you  
To last your whole life through,  
Is to know that you are special  
Just because, you are you!

### Tuition:

As the school year comes to an end we want to remind you to make sure your account is current. For more information please see Ms. Jackie. As a reminder, tuition for the month of June is half of your monthly tuition.
