Graduation Information
Ms. Varela, Ms. Flores,
and Mrs. Ibarra

As we prepare to complete another school year, I want to express my deepest gratitude to all of you for being such an important part of our school community. It has been a joy and a privilege to watch your children grow academically, socially and emotionally throughout the year. The classrooms have been filled with laughter, curiosity, creativity and so many meaningful milestones. From first friendships and new discoveries to growing confidence and independence, each student has brought something truly special to our school family. To those families moving on to new schools, it has been a pleasure having you with us and we wish you well. Please come back to visit and let us know how you are doing. To those who will be returning next school year, we look forward to spending another fun, exciting and successful year of learning and growing with you!

Thank you all for your trust, support and partnership this year. Your involvement and encouragement have helped us create a nurturing and loving environment where your children could thrive every day.

On behalf of the entire staff and myself we wish you all a fun, safe and happy summer!

With sincere appreciation and warmest wishes,
Peggy Schreiber
Our Redeemer Director

End of the year poem

You are a very special person
And you should know,
How I loved to have you in my
care

How fast the year did go!
Please come back to visit me
As through the grades you go
Try hard to learn all that you
can

There's so much to know
One thing I tried to teach you
to last your whole life
through,
is to know that you are special
Just because, you are you!

Tuition:

As the school year comes to an end we want to remind you to make sure your account is current. For more information please see Ms. Jackie. As a reminder, tuition for the month of June is half of your monthly tuition.
