

# Go Fish!

## Art Show - call for Entry

**META4 Contemporary Craft Gallery Port Perry** is pleased to be partner with **The Scugog Lake Stewards** for an inspiring fund raiser for The Lake Scugog Enhancement Project. Many thanks to Kwik Signs of Port Perry for their additional sponsorship.

### WHY:

**The Lake Scugog Enhancement Project** will create a four acre wetland designed to absorb the unwanted contaminants coming into the lake from unfiltered runoff that originates from urban Port Perry. To contain the wetland and permit this natural filtration, a berm with a walking trail will be built from Palmer Park Beach to the point at Vos' Independent Grocers.

In addition, 17 acres of the Port Perry Bay and the municipal boat launch will be dredged. Dredging will deepen the lake and remove invasive plant and algae growth with a resulting increase in wave action to further cleanse the shoreline.

**META4** invites you to get involved, support the Lake Stewards and raise funds for this community initiative.
