

**MEET**

# ALYSSA KUANG

TPHS SOPHOMORE / VOLUNTEER / ENVIRONMENTALIST

I am grateful for the people who support me during these difficult times such as my friends and family. For fun, I usually like going outside with friends, biking, or playing games with others.

I am most passionate about doing volunteer services as well as issues regarding the environment. I join many volunteer clubs to participate in helping our community. The clubs are involved with volunteering at senior centers, doing beach clean-ups, and spreading awareness of environmental issues.

Our family usually drives out to hike or just walk around in nature. We do this at least three times a month. I also go out to hike with my friends occasionally. Other than this, I would usually just talk to people close to me online. Because this year is my first year at Torrey Pines, I am looking forward to meeting everyone and going to school in person.
