

STUDENT SPOTLIGHT

Elijah Mineiro

TPHS Senior,
Athlete & ASB
Commissioner

Hi, my name is Elijah Mineiro and I am a senior at TPHP. I have been a part of the Boys Varsity Soccer team for 3 years now and have been honored this year to be named a captain of the team.

My experience at Torrey Pines has been really great these past four years. I've been involved in different extracurriculars such as athletics, volunteer organizations, and this year I have had the privilege to be a part of the Associated Student Body. My job in ASB is social media commissioner, which means I have access to and run all social media accounts associated with ASB. I chose to apply for this job because I have a lot of experience in social media, as I've run the boys soccer account for the last two years.

What I'm most passionate about is definitely soccer. Throughout almost all of my life I've played, and been in love with the game. The TPHP boys soccer program has been an amazing experience for me these past 4 years, and has helped shape me into the person that I am today. The excellence that our varsity soccer team exudes has made a lasting impression on me and my teammates, and the high expectations and standards of our team has improved my game tremendously. I have decided to pursue my soccer career at the next level, and will continue my playing career at Biola University for the next 4 years. I'm extremely blessed to have the privilege of continuing my passion on the field, while also furthering my education at a great university. I'm super excited to finish this last semester of High School and close out my TPHP soccer career with a strong end to the season.
