**Petoskey Rotary Charities invites proposals for 2024 grants**

The Petoskey Rotary Club Charities Inc. (PRCCI) is now accepting grant applications for its 2024 grant cycle.

Nonprofit organizations, education institutions and municipalities that benefit the greater Petoskey and Emmet County area are invited to submit applications. Organizations in fields such as youth, arts and culture, education, community development, education, recreation, and health and human services are encouraged to apply. Priority will be given to projects that align with the Petoskey Rotary Noon Club current initiatives of workforce development, affordable housing, childcare, and mental health wellness.

Information about grant requirements and the application is available at [PetoskeyRotary.org](https://PetoskeyRotary.org). Scroll down on the left side of the home page for the link to PRCCI Grant Application 2024. The deadline to apply is April 1, 2024. Applicants may request up to \$5,000. Applications must use a Google Form link to submit.

Applicants are required to describe the project for which they are requesting funds, how community residents will be affected, the project expenses and projected revenue, the amount of grant requested, a list of the organization's board of directors, and its IRS letter of tax exemption (if applicable). Typically, grants are awarded in May.
