- After the webinar concludes, a URL will appear to access the payment page.
  - To verify participation, JFNA will not provide this URL after the webinar. Additionally, the link will only remain active for two weeks after the webinar.
- Successful submission of electronic payment will re-direct the participant to the post-test. **Do not close the browser after submitting the payment.**
- Participants must complete the multiple-choice, electronic post-test and earn a score of at least 80% to pass.
  - Participants can only take the test once and must pass on the first attempt to earn CEUs.
  - Participants who successfully pass the test will receive an e-certificate from JFNA within approximately two weeks of the webinar. The certificate will include the JFNA provider ID number and unique title number.
