ALL BUSINESSES WELCOME TO ATTEND THE 2025

Spring Tourism Mixer

Tuesday, May 13 | 5 - 7 PM | Manchester-by-the-Sea Museum

Join us for the annual Greater Cape Ann Spring Tourism Mixer, as we gather at the Manchester-by-the-Sea Museum to celebrate the 2025 season.

As we do each year, we will all have an opportunity to mingle with our tourism community colleagues and share updates on plans for this coming spring, summer, fall, and winter.

For our 2025 Mixer, we're asking anyone who has updates to share to provide us with a single slide, which will be part of a presentation running throughout the event. We also encourage you to bring your marketing and promotional materials.

Please join us for this look ahead to the 2025 events and activities calendar and other topics important to the tourism community of greater Cape Ann.

Visit bit.ly/SpringTourismMixer to register today.
Please forward your single slide to Tony Sapienza at tsapienza@gmail.com.
