Want to Make a Meaningful Difference for Family Caregivers?

Become a Care Partner Support Volunteer!

Family caregivers work hard every day, often without enough support. You can help by offering encouragement, connection, and practical guidance to caregivers in your community.

What Care Partner Support Volunteers Do:

- Provide friendly check-ins and support
- Share helpful resources
- Offer companionship and support to the caregiver during scheduled visits
- Call or Visit caregivers at home on a planned basis
- Communicate with staff when questions or needs come up

What We Provide:

- Comprehensive initial training
- Optional ongoing learning opportunities
- Monthly check-in opportunities for support
- Staff available to answer questions anytime

What We're Looking For:

- Compassion, reliability, and good listening skills
- Comfort connecting with caregivers by phone and during planned home visits
- Interest in supporting families living with dementia

Time Commitment:

- About 2–4 hours per month
- A one-year commitment to ensure consistency for caregivers

You can make a real difference—one caregiver at a time.
