

34th Annual Love Cape Ann Fundraising Auction

Monday, November 16 – Saturday, November 28, 2020
Online Auction

Each year, the Cape Ann Chamber of Commerce hosts a fundraising auction to benefit a cause that is important to us all- the prosperity of Essex, Gloucester, Manchester-by-the-Sea and Rockport. Although we are unable to celebrate together in person this year, we hope you will join us online in November.

Throughout these unpredictable and challenging times for our businesses, community and area residents on Cape Ann, the Chamber has been a constant pillar of support. Focusing on the impact of COVID-19, the Chamber has served as a trusted resource in providing Cape Ann with consolidated, accurate information and guidance. While navigating these uncharted waters, the Chamber and our affiliated Cape Ann Community Foundation have continued to advocate and serve by issuing grants to local non-profits, fundraise for educational scholarships and promoting new and existing members throughout the community. We are pleased to say that with our recent move to Harbor Loop, we are best positioned to serve as a beacon of a bright future for our business community and residents.

With a virtual fundraiser, we have the ability to reach and engage an unlimited number of households. This provides a unique opportunity for your organization to have limitless exposure with community leaders, city officials, local businesses, area residents, and visitors who travel to Cape Ann. The Annual Auction is one of the largest on the North shore and will last for two weeks, encouraging our attendees to holiday shop and participate in Small Business Saturday.

We are here for Cape Ann, just as we have been over the last 98 years, working to preserve and enhance it as a beautiful, vibrant, and prosperous place to live, work, and play. This annual fundraiser carries the most impact for the Chamber, as it allows us to better serve our mission of supporting our community. We hope you join us. Together, we stand strong in weathering through this pandemic, and we will emerge even stronger.

Sincerely,
