The Gloucester Maritime Rendezvous

July 6-9, 2023

Gloucester Harbor

The Gloucester Maritime Rendezvous celebrates the combined heritage of two great fishing towns and their connection to the sea. Gloucester, Massachusetts and Luneburg, Nova Scotia. In this annual tradition, once more the Gloucester International Dory Racing Committee hosts the Canadian Dory Rowing Association from Nova Scotia to compete against the best dory rowers from Gloucester, going head-to-head on Gloucester's historic harbor.
