### Support Education on Greater Cape Ann

*Will You Consider Being a Sponsor?*

For over 30 years the Cape Ann Chamber Business Education and Scholarship Golf Tournament has been the primary fundraiser for five annual scholarships that are awarded to Cape Ann high school students, as the Chamber honors our commitment to helping our future leaders.

Played at a relaxing and beautiful venue, Bass Rocks Golf Club, and attended by 100+ Chamber members and guests; this is one of the most highly sought-after sponsorship opportunities. The proceeds from this event go towards everything the Chamber does to support its education priority, including our Business Education Collaborative, the Cape Ann Career & College Fair and five college scholarships – the best way to help our local youth become the next generation of successful businesspeople!

Your sponsorship will provide your organization with exposure to over 100 area business owners, senior business leaders, and elected officials.
