Join us at Ipswich Ale Brewer's Table for **Brewing Connections: Networking on Tap** — a lively evening where local businesswomen and men come together to share ideas, spark conversations, and raise a glass to new opportunities.

Enjoy the relaxed brewery vibe while making meaningful connections with fellow professionals from across greater Cape Ann. Whether you're looking to grow your network, collaborate on new projects, or simply unwind with inspiring people in business, this is the place to be.

A cash bar (brews, wines & spirits) will be available and complimentary light appetizers will be served.

Good Brews. Great Conversations. Lasting Connections.
