

The American Legion, Post 3, Gloucester, will again be proudly delivering **Thanksgiving Holiday Dinners** in 2002 to the elderly, shut-ins, veterans, and needy in the Cape Ann area on Thursday, November 26, 2020. The meals will again be Free. We will be serving Gloucester, Rockport, Manchester, Essex and Ipswich. The American Legion Post 3's mission is simple,

"NO ONE SHOULD BE ALONE AND WITHOUT A HOT MEAL ON THANKSGIVING!"

Our goal is to serve and deliver as many holiday meals as we can to our fellow veterans, their families and other "special citizens". The demand is still there, if not more, and we intend to honor it.

**Due to COVID-19 safety and health concerns ONLY Volunteer Drivers are also needed for Thanksgiving Day.**

We will need drivers from 10:15am until all of the meals have been delivered. The new procedure will be that drivers WILL REMAIN in their cars outside and will not come in Legion Hall. They will all be assigned a number and when their number is called they will pull up to the entrance and their meals will be loaded in their car by other volunteers. Unfortunately there will only be CONTACTLESS delivery of the meals to recipients by leaving them outside of the recipients' doors, knocking on the door and then leaving.

**How to order and volunteer: ONLY AFTER OCTOBER 25, 2020**

1. Call [978-283-7117](tel:978-283-7117) ONLY anytime (and leave a message) DO NOT CALL (978) 283-9710.
