Care Dimensions Invites Applications for the September 2021 Hospice Nurse Residency Program

Danvers, MA — Nursing graduates and experienced nurses interested in hospice and palliative care are invited to apply for the Care Dimensions 2021 Hospice Nurse Residency Program, which introduces the vocation of and trains nurses in hospice and palliative care. Nurses accepted to the program will develop their hospice expertise through a combination of virtual and in-person classroom lectures (in accordance with COVID-19 guidelines) based out of our Danvers and Waltham offices, field visits and patient care with the guided mentorship of a preceptor.

Applications are being accepted through May 3, interviews will be scheduled on May 13 and May 14, and notification of acceptance is June 1, 2021. The residency program begins September 13, 2021.

Nurses will be employed at Care Dimensions during the residency and, with successful completion of the residency, offered a full-time position in case management. Following the residency, a commitment to work full time for two years is expected.

See www.caredimensions.org/residency to view the job description and apply now. Please email Karen Curtin, KCurtin@CareDimensions.org if you have any questions.

About Care Dimensions

Care Dimensions is the largest [hospice](#) and [palliative](#) care provider to adults and children in Massachusetts. As a nonprofit, community-based leader in advanced illness care, Care Dimensions provides comprehensive hospice, palliative care, and [grief support](#) in more than 100 communities in Massachusetts. Founded in 1978 as Hospice of the North Shore, Care Dimensions cares for patients wherever they live – in their homes, in skilled nursing facilities and assisted living communities, in hospitals, or at our two inpatient hospice facilities, the [Care Dimensions Hospice House](#) in Waltham and the [Kaplan Family Hospice House](#) in Danvers. Additionally, [Care Dimensions HomeMD](#) program provides in-home primary care to patients over age 65 in select communities on the North Shore and Greater Boston who have difficulty leaving home. The [Care Dimensions Learning Institute](#) educates more than 7,000 health care professionals and community members each year on advanced illness and end-of-life topics.
