NAMI Cape Ann

National Alliance on Mental Illness

PLANNING OPTIONS FOR FAMILY CAREGIVER

Have you thought about the future of your loved one who is living with a disability/has special needs after you are gone? A special needs trust may be the answer.

Thursday, May 22 at 6:30 Over Zoom

Are you a parent, caregiver, or family member planning for the long-term care of someone important to you, or embarking on a plan for yourself? Working with PLAN, a special needs trustee, means your loved one with disabilities would have a resource that is able to provide care coordination services, depending on their needs, for whatever period of time their trust is in place.

PLAN Special Needs Trusts

Preserve Assets | Protect Benefits | Live Well

NAMI Cape Ann and PLAN of MA and RI will be hosting an informational webinar on:

- **Understanding the purpose of a special needs trust**
- **Types of special needs trusts**
- **Trustee responsibilities**
- **Trustee considerations**
- **Establishing a Trust with PLAN**
- **Achieving a Better Life Experience Accounts (ABLE)**
