SEASON SCHEDULE: MUSIC ON MEETINGHOUSE GREEN 2024

This will be the ninth season of our free, 10-event outdoor music festival held on the green at 50 Middle Street (corner of Middle and Church Streets) in front of the Gloucester Unitarian Universalist Church. Each event features a different musical group, food vendor, and benefits a worthy local non-profit through free-will donations from the audience. Some chairs are provided but attendees are encouraged to bring lawn chairs, blankets, and extra cash or a check to make a donation. Events are held inside the Church social hall in bad weather so the series goes on, rain or shine. Check the website for more information at www.gloucestermeetinghouse.org
