Inaugural Meeting Announcement

Tuesday May 23 | 5 - 6:30 PM | Gloucester Stage Company

We are pleased to announce the first official gathering of the newly conceived Greater Cape Ann Chamber of Commerce Arts & Culture Alliance.

We invite artists, arts and culture leaders, creative businesses, gig workers, and non-arts business leaders who want to connect with the Cape Ann creative community. We define “culture” broadly to include maritime heritage, which has always had close alignments with the arts on Cape Ann.

The goal is for attendees to:

- Make new connections with Cape Ann's creative economy, cultural heritage, and working artist community.
- Learn about new opportunities for Cape Ann arts, culture, and Chamber of Commerce partnerships.
- Hear from communities where the arts and business sectors work collaboratively.
- Be inspired to creatively connect with the Chamber and its member businesses.
- Inform the work of a new Chamber Arts & Culture committee.

Please RSVP by registering on the Greater Cape Ann Chamber website at: bit.ly/ArtsandCultureAlliance.

We hope to see you there!
