KRISTINA  CRESTIN
DESIGN

You are cordially invited to join us and Kristina Crestin at the Beauport Hotel for a fun and relaxing chat about her interior design journey. What has the road been like? Where will it take her next? Has she had flat tires along the way? A light dinner, networking, and drinks will be served as we dive into the true grit of this inspirational entrepreneur from New England.

Kristina Crestin's passion for interior design is evidenced by her award-winning style. Kristina creates atmospheres infused with light and creativity with her signature styles; modern farmhouse, modern beach house, as well as her take on traditional.

Along with running her residential Interior Design Firm, Kristina has become a staple on a variety of HGTV series, including Farmhouse Fixer, Rock the Block, Barbie Dreamhouse Challenge, and 100 Day Hotel Challenge. Kristina was named HGTV Designer of the year in 2019.

Check out some of Kristina's HGTV shows on hgtv.com and remember to bring your questions along. Space is limited - reserve your spot today at <https://bit.ly/BWC-FallEvent>.
