## ABOUT US

At EBZ HomeCare Solutions, our story began with a deeply personal experience and a heartfelt mission. Witnessing one of his parents struggle to receive proper care during a critical time, our founder was inspired to create a solution that ensures every aging individual receives the quality care they deserve. Rooted in the belief that every senior has an inalienable right to dignity, compassion, and exceptional support, EBZ HomeCare Solutions was born.

## OUR SERVICES

### Personal Care

Our trained caregivers assist with daily activities such as bathing, grooming, dressing, and mobility support, ensuring clients' personal hygiene and comfort.

### Companionship

We provide companionship to prevent feelings of isolation, engaging clients in meaningful conversations, games, and activities that stimulate their mental and emotional well-being.

### Medication Management

Our skilled staff ensures that clients adhere to their medication schedules, offering reminders and assistance with administering medications as prescribed.

### Meal Preparation

Our caregivers prepare nutritious meals tailored to individual dietary needs and preferences, promoting proper nutrition and overall health.

### Housekeeping

Our caregivers help maintain a clean and organized living environment by assisting with light housekeeping tasks, laundry, and home organization.
