

Amazing Community Race

Promote your business, be part of the excitement, and help build community with Habitat for Humanity!

Habitat's Amazing Community Race is coming September 21st, 2019 and we want you to join us as a vendor! This unique and challenging fundraiser will benefit working, low-income families who need a hand up. The funds raised in this event will go directly to our two build projects, 1330 Lake Trail Road in Courtenay and 477 Hilchey Road in Campbell River, where we are building a total of 21 affordable homes for local families. As a vendor, you would host one of the Amazing Community Race challenges at your business location.

Vendor Sponsorship - for \$1,000.00, you receive:

- Race stop at your business with a challenge of your choice: physical or mental
- Event t-shirts (up to two)
- Social media promotion
- Logo on event t-shirt
- Business listed on our website event page
- One Team Build Day for your staff, which includes a catered lunch
- Tax-deductible receipt

How it Works

On Saturday, **September 21st, 2019**, 25 teams from each community (Campbell River and Courtenay) will race to the finish line at the Merville Hall. Each four-person team will compete in 10 challenges in their community on the way to the finish line. The first three teams will win a prize.
