

2026-2027 GOLF TEAM TRYOUTS

Golf tryouts for the next school year are planned for boys on Wednesday May 20th and for girls on May 21st from 4:00-6:30 each day at the RTJ Hampton Cove short course and practice facilities. Please arrive no later than 3:40 to allow time for registration. \$25 CASH ONLY is due BEFORE play. This includes one range token. Prospects will be evaluated hitting range balls, working short game skills, and playing several holes. A CURRENT PHYSICAL IS REQUIRED TO PARTICIPATE. NO EXCEPTIONS. There are NO make up dates for tryouts. The physical form can be found on [AHSAA.com](https://www.ahsaa.com) in the forms section. It should say Revised 2018 at the top. This is the one to use. The physical must have a player, parent, doctor's signature with the date. Make sure the form is filled out completely. Also, prospects must be ACADEMICALLY ELIGIBLE. If you are a rising 10th, 11th, or 12th grader you must have passed all your courses including electives with an overall average of 70 and be academically on track to graduate. Otherwise, you cannot participate in tryouts. Contact Head Coach Allen Bradshaw at john.bradshaw@hsv-k12.org with any questions and also to let me know the names of the players trying out and their grade level. I am in room 248 in the main building. Tryouts are for new prospects only. Preference will be given on the boys' side to those who participate in tournament golf (SJGT, AJGA, AJGO, AJGT-HURRICANE, or GOLF WEEK JUNIOR TOUR). Also, preference will be given to rising 7th, 8th, 9th, and 10th grade boys. The only rising juniors and seniors that will be considered are ones who can contribute immediately to the team with an average score in the low 70s (should have a handicap in GHIN). Girls trying out are expected to have at least some experience, a basic knowledge of golf rules, and the willingness to practice and play (outside of the season), and to take lessons on a regular basis. Also, everyone must have their own clubs and golf balls for play. There is one spot open on the boys team and 2 on the girls team. We are a CHAMPIONSHIP LEVEL program, so tryouts are always competitive. This is a Varsity sport, NOT a recreational club. We always compete at the highest level and expect to win every time we play.
