the opportunity to learn more about the
Maryland ABLE Plans***

The Maryland ABLE Act was signed into law by Governor Hogan on April 12, 2016. The Maryland ABLE Plans are scheduled to be available by the end of this year. We will be discussing the benefits of ABLE plans and how they can be used in conjunction with Special Needs Trusts to help people with disabilities save money and pay for qualified disability-related expenses without jeopardizing federal and State means-tested benefits such as SSI or Medicaid.

Coffee and light refreshments will be served.
