

Community Roundtable Discussions → Connections → Engagement → Empowerment

What's it All About?

The DVOMB is hosting a series of Community Roundtable Discussions (CRD) as a new event for the purpose of improving collaboration, engagement, and the exchange of feedback between the board and communities statewide. This event is for treatment providers, supervision officers, treatment victim advocates and other interested professionals to come together and start a dialogue.

Future CRDs are coming to an area near you, save the date!
