Oxford artist, Lee Harper

~featuring miniatures of Delta landmarks  
by Oxford artist Lee Harper,

**DECEMBER 5 - JANUARY 13**

A magical exhibit for all ages, Lee Harper's  
miniature worlds are created with a  
combination of patience and precision.  
This microscopic sculptural style can only truly  
be appreciated in person and will delight the  
whole family this holiday season! We will also  
have a hands-on Kids' Zone for kids!
