

## **Security Health Plan policy review – Policies effective April 2021**

Security Health Plan reviews medical policies on a monthly basis. Medical policies are found in the provider section of the Plan's public website. As we review and develop clinical criteria for our policies, providers with particular professional knowledge or clinical expertise on certain subjects are invited to provide input and opinions. Click on [policies web page](#) for more information including past monthly policy reviews.

### **Policy changes effective April 1, 2021**

#### **Policies reviewed with changes made to medical criteria:**
