

Prior authorization requirement effective July 1, 2019, for cardiac imaging and sleep management services

Security Health Plan and eviCore healthcare are pleased to announce their partnership to provide authorization services for patients enrolled in Security Health Plan's Commercial, BadgerCare Plus, Medicare Advantage and Security Administrative Services plans.

eviCore will facilitate prior authorization for cardiac imaging and sleep management services for dates of service beginning **July 1, 2019**.

Security Health Plan members will require authorization from eviCore for:

Cardiac Imaging

- Cardiac Advanced Imaging: CT, MR, PET
- Nuclear Cardiology (includes nuclear stress testing)
- Echo Stress Testing
- Echocardiography
- Diagnostic Heart Catheterization

Sleep Management

- Sleep Diagnostics
- Pap Therapy Devices and Supplies (DME)
- Therapy Support

Check www.securityhealth.org/providers in the coming weeks for more information on training, frequently asked questions and coding regarding these topics.
