

Skip the phone wait: visit the provider portal

Did you know many of your questions can be answered quickly and conveniently through our [provider portal](#)? Using the portal helps you avoid phone wait times and gives you 24/7 access to the information you need – on your schedule.

Through the provider portal, you can:

- Verify member eligibility and benefits
- Check claim status
- Submit and track prior authorizations
- Submit appeals
- View provider statements and other important documents

If you're not already signed up, getting started is easy! [Visit the portal](#) and click "Register."

We encourage all providers to take advantage of this convenient self-service option; we're certain it will become your first stop for support.
