

## Security Health Plan policy review – policies effective September 2023

Security Health Plan reviews medical policies on a monthly basis. You can find our medical policies in the provider section of Security Health Plan's public website. We invite providers with specific professional knowledge or clinical expertise on certain subjects to provide input and opinions on our policies as we regularly review and develop clinical criteria.

Click on Security Health Plan's policies web page, [www.securityhealth.org/providers/medical-policies](http://www.securityhealth.org/providers/medical-policies), for more information including past monthly policy reviews.
