Security Health Plan policy review – policies effective December 2023

Security Health Plan reviews medical policies on a monthly basis. You can find our medical policies in the provider section of Security Health Plan's public website. We invite providers with specific professional knowledge or clinical expertise on certain subjects to provide input and opinions on our policies as we regularly review and develop clinical criteria.

Visit www.securityhealth.org/providers/medical-policies for more information including past monthly policy reviews.
