## SEPTEMBER 2016 - TRESTLEBOARD

### **From the Worshipful Master Greetings Brothers and Friends,**

Every month when I sit down to write this article, I am always amazed at how much activity there is, even when so much of our Masonic Family is "dark".

The month started with our stated meeting on August 3. We started with a wonderful chicken dinner hosted by the lodge for the attendees. We had, I believe, 24 brothers, ladies, and friends in attendance. We also reinstated our educational program at the meals, which will continue into the future.

The brothers at the meeting voted and decided that the lodge will continue to host the stated meeting meals for the remainder of the year as an investment in fraternity. A critical factor in that vote, however, is that reservations are a must for dinner so we can ensure we have enough food for folks to enjoy. The details for September are elsewhere in this trestleboard. Make your reservation without delay! Please come join us to break bread with your brothers and friends.

A highlight of the August meeting was that we voted on THREE new petitions for membership. As of this writing, we have initiated one new brother on August 24, and are preparing for a double first degree for twin brothers (in real life) on August 31. Coupled with our other recent degrees, we now have a half dozen EAs being coached, at least one FC under coaching, and a couple of brothers finishing up their MM proficiency. It's almost a new lodge with all the new faces! Come out and meet your new brothers! A special thank you goes out to all who assisted with the degrees. We are planning a FC degree in September (see the calendar), so join us to help pass our brother.

July and August saw some changes for our lodge. As noted in the open letter to our members last month, Bro. Browne has resigned as secretary of the lodge. Your officers met, and a few changes have been made to the

lineup. Bro. Mark Graybeal, PM, has graciously agreed to serve as Secretary for the remainder of the year. Bro. Kenneth Norton, PM, has agreed to come onboard as chaplain. Their information is in this trestleboard.

In the mid part of the month, Bethel 56 held their installation of officers. Congratulations to HQ Cheyenne Clayton and her officers! Bethel 43 held a fundraiser car wash at D.L. Evans bank. Twin Falls Chapter 29, OES, held their annual picnic at the home of Worthy Matron Catherine Parke, with great food and a good turnout. Thank you to the chapter for inviting us to join in the fun.

Unfortunately, August brought some sadness into our world as well. Bro. Paul Remaley passed away unexpectedly on August 24. I know many of our friends and brothers are in shock over his passing. He will be truly missed by all. Both he and Sue are fixtures at nearly every Masonic Family event and activity, and it is hard to imagine their dynamic duo without half of its membership.

Also in August, we discovered that two of our members had passed away in prior years, but we had not been informed. Bro. Richard Lutes passed away on October 24, 2013, and Bro. Charles Stroud passed away on July 21, 2014. I must apologize on behalf of the lodge for not finding this out sooner so that we could timely reach out to their families. Brothers, it is so important that you keep the lodge officers apprised of what is going on with our members. I would rather see ten brothers calling to let us know what is going on that to not have one. Each of us knows some of the other members; please make sure we have current information, including contact info. We have several members that we cannot find even a good address for. Please help us find them and bring them back into our companionship.

In happier news, I am pleased to report that our Masonic Family is growing in Twin Falls. On October 29, 2016, Magic Valley Assembly of the International

(Continued on p. 2)

WORSHIPFUL MASTER - Jeremy C. Vaughn, P.M.

[mark\\_graybeal@us.aflac.com](mailto:mark_graybeal@us.aflac.com)

## From the Worshipful Master

(Continued from p. 1)

Order of Rainbow for Girls will be constituted and set to work. This is the culmination of a couple of years worth of effort by many in the Magic Valley, and we are excited to be assisting them in bringing Rainbow back to the Magic Valley. For those that don't know, there were Rainbow Girls in the Magic Valley years ago, but not at present. The girls of Idaho are working hard to establish at least five assemblies so they can separate from Washington and be their own grand jurisdiction. Please help us support their efforts, as this assembly makes three.

We will be having our semi-annual Widow's Luncheon on September 11 at 2:00 p.m. Please see the details later in this trestleboard and be sure to

come out and share the day with our ladies. You won't regret it.

I also challenge each brother to make a renewed effort to be part of your lodge and its activities. For those that may not attend because they are concerned about driving at night, we have several members who are more than happy to pick you up and take you home. Just give us a call and it would be our honor to assist.

Brothers, on behalf of your officers, I want to say it is a pleasure and honor to serve you for 2016. Please join us in making this lodge to be all that it can be, for the good of our Fraternity, for the good of our community, and for the good of ourselves.

God Bless You All!

Jeremy C. Vaughn, PM, Worshipful Master

**Twin Falls Lodge No. 45 A.f.&A.m.  
Bowers Foundation, Inc.**

Here is a picture of President Gary Garnand presenting a \$3,700 check from the Bowers Foundation to the Twin Falls School District Education Foundation to support special education efforts in the TF School District. The presentation was made in late July from the funds accumulated. In addition to this, the foundation was able to present several scholarships to

several deserving students affiliated with the Twin Falls Masonic Family.

Awesome work, Brothers!

### —Twin Falls York Rite News—

Greetings Friends! The Twin Falls York Rite Bodies resume their labors on September 26 at 7:30 p.m. At this time, details are in flux, so please check with the recorder to see which body is opening that day.

We would love to share our love of the York Rite with you. If you have any interest in our bodies, our degrees, our lessons or our adventures, please talk to one of our members. We are happy to share, and are happy to spread some further light in Masonry.

Do you want to be a part of our fun and to see how the third degree is "completed"? If so, please contact the Secretary/Recorder, Jeremy Vaughn, at [jvaugh311@gmail.com](mailto:jvaugh311@gmail.com) or (208) 339-6849. All Master Masons, wherever situated in Idaho, are welcome to inquire. If you are not in our jurisdiction, we will be happy to refer you to the body closest to you.

See you on the 26th!

Jeremy Vaughn,  
Secretary/Recorder

## September Shrine Club News

First brother noble's, let me say how saddened we are of the loss of noble Paul Remaley. A good and noble man is now with the great architect of the universe. We will miss Paul, and our hearts go out to Sue, and the family.

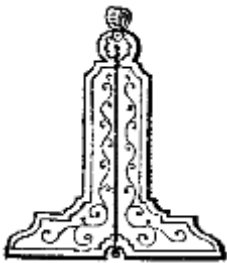

Our stated meeting will be sept. 14, haven't set a place yet. We will send out a message later. we have a lot to discuss at the meeting, with our screening clinic going on Sept. 17, and the parade in Mt. Home. So hope to see you on the 14th.

**Gary Anton, President**

## From the Senior Warden in the West

This months mason, Benedict Arnold, the 'traitor', is one of those whom anti-masons use to show the 'evil deeds of freemasonry. They ignore the fact that Arnold was among the greatest of military men fighting on the side of the Revolution and without whose service, the patriots might have easily lost their lives. He was one of several leaders during the American Revolution who were whipsawed back and forth by political intrigue and infighting, causing him to be both hurt and resentful at the manner in which he was treated. At times a hero and at times totally shunned, Arnold ultimately decided that the 'cause' for which American patriots were fighting was wrong and he defected to the side of the British. in so doing, he actually became a hero for the British resulting from his military actions in Canada. His later life was filled with problems and - in retrospect- Brother Arnold did the wrong thing. His military actions, however, were executed in a way as to save many lives and it is because "victors write history" that he is now regarded as an arch- villain by Americans. In Canada and the UK, Arnold's stature is far different than the United States. He was a member of the Hiram Lodge no. 1 in New Haven Connecticut.

## TWIN FALLS CHAPTER #29, OES SEPTEMBER — NEWS

Dear Sisters and Brothers -

As I write for this month's announcements, I am extremely shocked and saddened by the loss of Worthy Patron, Paul Remaley. He was so much my influence and inspiration and so dear to all of us, that I must ask that you keep Sister Sue and all her family in your prayers. **God's timing is unknown to us** but we must trust in His wisdom and know that Brother Paul loved and cared for all of you. His genuine care and concern for this Chapter and for his Masonic family will be the Star that continues to lead us forward. Brother Paul could always be counted on to put one foot in front of the other and to **ALWAYS Be the Difference in someone's life**. This year was designed by Paul and myself and so now I must ask your patience and assistance as we re-define the year and make adjustments moving forward. We will begin in pro-tem mode and then will make the necessary positional changes as we have a chance to get together and conduct regular Chapter Business.

I am unable to attend our first meeting on September 13, as I know that a lot of you are, so would ask that we plan on everyone being at the September 27th meeting. The First Meeting will be School Days for the theme and we will have a **nostalgic remembrance... I hope all of you that can be there**

will enjoy some memories of your own educational experiences.

The practices for Worthy Grand's Official Visit will take place on September 29 from 6:30 -8:30 p.m. and Thursday, October 6, from 6:30 -8:00 P.M... **I need all available assistance on Monday, October 10, 2016 at 6:30 p.m.** to set-up the ballroom for the official visit and to make sure that we are prepared. I must correct myself regarding the letter that I sent this summer... **We are obligated by our Bylaws, as this is a Stated Meeting** to remain with our meeting time beginning at 7:30 p.m. and so we will still begin School of Instruction at 4:00 P.M. and will use the additional time to visit over dinner. The other times will not change either and we will have dessert with dinner and provide a small reception at the end of the meeting for those who were unable to come for the meal.

My prayers for all of you are that you know how important you are to this Chapter, to Star and to myself. It is a true honor for me to serve as Worthy Matron this year and I know that Paul felt the same in his position. Our year moving forward will be **full of change... My Focus for the Chapter is** to Put One Foot In Front of the Other and know that We can Be the Difference.

Star Love,  
Catherine Parke  
Worthy Matron T.F. #29

This was written by Most Worshipful Brother William E. Yeager in 1966, Past Grand Master of Pennsylvania, Fellow of the Philalethes Society and President of the Society in 1973.

**"Freemasonry has not changed. It has as it's precept the Brotherhood of Man under God. This lofty and inspiring idealism is the source of it's power to attract and hold men.**

A Master should have knowledge of the history, symbolism, ethics and traditions of the craft, as well as the ability to confer the ritualistic work accurately and in proper manner. He should be a man who can provide real leadership. If Freemasonry is to command respect in a community, then the Master must be a man who can command respect. The Master of the Lodge is the symbol of Freemasonry in his community. If he is not a man upon whom intelligent people may look with admiration, we need not expect petitions from intelligent men.

In these days when the principles which our Masonic forefathers wrote into the Constitution - when the principles which made this Nation great are being undermined and attacked - in these days more than ever before the world needs the benefit of ideals, doctrines and philosophy promulgated by the degrees of Symbolic Masonry. It behooves every one of us who values and believes in the freedom, liberty and blessings which this land affords to give some of his time and energy in their preservation.

No one knows what tomorrow's world will be but you and I know that a sincere and earnest practice of the principles of Freemasonry will be a lasting influence for good and with a sufficient share of that we can, in some measure, help shape the world of tomorrow."

It was 1966 when this was written, it almost sounds like 2016.

## MEN WHO BUILD BRIDGES - NOT WALLS

This Short Talk Bulletin has been adapted from remarks delivered by R.W. Rev. Richard D. Campbell, Grand Chaplain of the Grand Lodge of New York, at the Sigma Lodge of Perfection in Schenectady, N.Y.

### INTRODUCTION

You have all seen pictures of the famous "leaning Tower of Pisa." You know it leans precariously many degrees from the perpendicular. An American tourist, seeing the Tower for the first time, was not impressed. He grumbled, "that looks like the work of the same contractor who built my garage!"

Masons are builders! In fact, a famous Mason named Joseph Fort Newton wrote a book about our Craft called *The Builders*. All Freemasons know that we trace our traditional origins to the ancient craftsmen who participated in the building of King Solomon's Temple. Most also realize that the forerunners of modern Masonic Lodges were the medieval lodges of devout craftsmen. Few, however, may be aware that the cornerstone of the U.S. Capitol was laid by Masons in 1795. Not brick masons. Free Masons! The Grand Lodge of Maryland reportedly sponsored the ceremony. And, a painting by Stanley Massey Arthurs shows the Father of our Country, George Washington, at the ceremony dressed in Masonic regalia.

Today we like to say we are no longer "operative masons." We are "speculative Masons"—which means we do not build physical buildings or other structures. our building task is symbolic. We build character. We build good men. We build just and honorable relationships. We build brotherhood.

### DISCUSSION

I. Let us put it this way - good Masons do not build walls or fences. Our work is not to separate or divide people. Our fraternity ought never to isolate or alienate human beings from each other.

An interesting fact is that the original Americans never built fences or walls. Private ownership of land and property boundary-lines were strange notions to Native Americans. The Europeans brought that concept to these shores! The Indians never walled out other In-dian nations or European settlers from their land. They were welcoming and open. They believed in sharing.

Masons do not wall out men because of creed or physical characteristics. We have never excluded people on the basis of strict doctrinal standards. Ours is an inclusive brotherhood which welcomes Jews, Christians, Moslems, and persons of other religions. We only ask for a basic belief in God and a dedication to moral living. We welcome all men who intend to build their lives and their relationships according to the compass of virtue, the plumb line of morality, and the square of ethics.

We disagree strenuously with any church leader who says a Christian cannot be a Mason without compromising his beliefs or his allegiance to Christ - and, therefore, that Masonry should have a Christological test for membership. That was the misconception of the minister who resigned from Masonry and wrote denunciatory letters to the editor about our fraternity. That was the mistake of another minister who wrote a sermon 35 years ago attacking Masonry. Titled "Freemasonry and Christianity" and now being circulated, this sermon said in part:

If Masonry asks its initiates to acknowledge and confess Jesus Christ as Lord and the true God, then Masonry's God is the true God. But if Masonry does not require its members to confess and acknowledge Jesus Christ as Lord and the true God, then the God of Masonry is not the true God! That reminds us of the smug, self-righteous fellow who spoke condescendingly to someone who belonged to a different denomination. He sniffed: "that's alright. We're both just trying to serve the Lord - you in your way and I in His!"

That spirit has no place in Masonry! Nor does the attempt to impose some kind of doctrinal "litmus-test" on members and potential members. That is building walls between people. Masons do not build walls and fences. We agree with Robert Frost when he writes, "Something there is that doesn't love a wall." The poet takes exception to the man who says "good fences make good neighbors." So do we! Like Frost, we ask: "Why do they make good neighbors! Isn't it where there are cows? But here there are no cows. Before I built a wall I'd ask to know what I was walling in or walling out, and to whom I was like to give offence."

II. Masons do not build walls. We build bridges. Bridges connect. Walls divide. Bridges enhance communication. Walls obstruct communication. Bridges promote friendship. Walls cause isolation. Webster defines a bridge as: "any structure—raised to afford convenient passage over river, railroad, ravine or any other obstacle."

Masons build bridges of understanding. We connect people by brotherhood. We construct passageways of friendship between persons who may differ in Church or language or race. We build tolerance as a conveyance that brings human beings together. Building bridges of friendship is at the heart of Masonry. For ex-ample, an item appeared March 24, 1985 in the New York Times. Here is what it said: "Religious pluralism has long been a hall-mark of the Masons, as is seen by the annual family dedication breakfast this morning of the Grand Lodge of Free and Accepted Masons of the State of New York. About 2,000 members of the fraternal order and their families will gather at 8 a.m. at three sites - St. Patrick's Cathedral (Roman Catholic) at Fifth Avenue and 50th Street; St. Bartholomew's Church (Episcopal), at Park Avenue and 50th Street, and the east 55th Street Conservative Synagogue (Jewish), between First and Second Avenues. After the services, the Masons will assemble and parade together to the Sheraton Centre for breakfast."

That is what we mean by Masonry building bridges! Someone named E. Larsen has sum-med it up in a little piece which is appropriately titled "Building Bridges."

### BUILDING BRIDGES

People, like islands, need bridges - a way to cross over, speak, reach, see, over all that silent water. It is the only way. Because people aren't people, not real people, with-out that bridge; and the only action, the only REAL action, takes place on the bridge between people. So if I wait, you wait, everyone waits; when I don't start, you don't start. Nobody arrives. No builders, no bridges. The meaning of the world doesn't change; it always stays the same - same hopes, same challenges, same tragedies, same fears and victories. What does change is my involvement with it - my awareness, my understanding, my growth. And growth is only a deepening of what passes between you and me - what passes on the bridge.

### CONCLUSION

What could be better than to be a builder of bridges between persons and groups? What could be a better way to be remembered when we are gone? Would we not like people to say of us "He was a builder of bridges"?! Can you think of a more noble cause? Can you imagine anything truer to the purposes of Freemasonry? In his book, "The Builders," Joseph Fort Newton suggests a challenge with which I would like to leave you. He tells us the mission of Masonry is "to form mankind into a great redemptive brotherhood" (pg. 267). He capsulizes the spirit of Masonry by daring us "to be friends with all men, however they may differ from us in creed, or conditions; to fill every human relationship with the spirit of friend-ship." And, finally, with the words of an old hymn by John Oxenham:

"Join hands, then,  
Brothers of the faith,  
What e'er your race may be;  
Who serves my Father as a son  
Is surely kin to me."

Greetings from the Jobies of Bethel 56!

It's time to update everyone on how Grand Bethel went for the Daughters of Bethel 56. We are very privileged to have 10 daughters who will be serving as officers or representatives for Grand Bethel for the next year and 1 adult as a Grand Officer. Hope Eskridge was selected as Grand Bethel Senior Princess, which means we will have a Grand Bethel Honored Queen in another year. Here are the other selections for our Bethel: Taylor Eskridge – Grand Bethel Marshall, Riley Mason – Grand Bethel Sr. Custodian, Marissa Clayton - Grand Bethel Musician, Makenzie Egersdorf – Grand Rep to Arizona/New Mexico, MacKelti Schneider – Grand Rep to Kansas/Kentucky, Cheyenne Clayton – Grand Rep to Maryland, Mikayla Ferree – Grand Rep to Oklahoma/Florida, Mya Eskridge – Grand Rep to Philippines, Sierra Magnum – Grand Rep to Washington, and Karen Egersdorf will serve as Grand 1<sup>st</sup> Messenger.

The girls also did extremely well in their competitions. The Bethel took 1<sup>st</sup> place in large choir and 2<sup>nd</sup> place for core ritual in the large division. Our two messenger teams tied for 2<sup>nd</sup> place, and a MacKelti Schneider, Sierra Mangum and Abby Sandford took 2<sup>nd</sup> place for Daughters of the East. For individual awards they represented the Bethel wonderfully! Vocal Solos: Mya Eskridge- 2<sup>nd</sup>, Makayla Egersdorf- 1<sup>st</sup>. Instrumental Solos: Marissa Clayton 2<sup>nd</sup>. Instrumental group: Cheyenne and Marissa Clayton- 1<sup>st</sup>. Dance Solo: Sierra Magnum 1<sup>st</sup>. Ritualistic: Novice: Erin Clayton – 1<sup>st</sup>, and Story of Job: Hope Eskridge 3<sup>rd</sup>. Supreme Messenger Team: Hope Eskridge – 3<sup>rd</sup> Messenger. Our Daughters

worked extremely hard for these awards and we are very proud of them!!

The girls just installed their new officers on August 20<sup>th</sup> with Cheyenne Clayton as the new Honored Queen. Our next activity will be to travel to Stanley for JDU (Job's Daughters University) over Labor Day weekend. It will be a fun time with a theme of Hogwarts from the Harry Potter series!

The girls are looking forward to a fun filled term and would love to have their Masonic family come out to support them. Look for invitations to participate with us in fun activities and also with our fund raisers.

*“And in all the land were no women found so fair as the daughters of Job”*

Jobie Love
