Lemuel "Uel" Whitsett leads the firm's North Carolina Banking and Financial Services Practice. He represents a variety of financial institutions, including national associations, regional banks, non-traditional lenders, mezzanine lenders, and community banks in numerous financing transactions, including construction and permanent real estate loans, asset-based loans, C&I loans, conduit loans, participations, syndicated loans, and agency debt. Uel also has significant experience representing lenders in connection with troubled asset portfolios and loan workouts.
