## 8th GRADE TRANSITION INFORMATION FOR STUDENTS AND PARENTS

Summit Public Schools is a public charter school network with two high schools in Redwood City: *Summit Prep High School* and *Everest High School*

Students and Parents are invited to hear first-hand from the Executive Director, current parents and students at a general information session and Q&A at Hillview Middle School, Tues., Nov. 1<sup>st</sup> from 6:30pm – 7:30pm in the Library Tank space.

Summit Public Schools helps students reach their highest potential with their....

- College-prep curriculum (including 6 AP classes) where 99% of their graduates are accepted into at least one 4-year college
- Personalized learning experience where students move at their own pace and learn how they best learn
- Real-world learning projects where students develop the life skills and habits they need to be successful
- World-class teaching faculty from the nation's top teacher preparation programs
- Small, safe and diverse community where every student has a mentor and is truly cared for and known
