

## **Host One of Our Interns from Spain for the 2018-2019 School year**

Experience the wonderful opportunity to share our American culture and the culture of Spain in your home with one of our amazing interns. Each year our district sponsors four interns as part of our Language for All experience. These interns assist in the Spanish Immersion classes as well as the Spanish language classes at all 4 schools.

We need host families who are willing to offer room and board to our interns! You can host an intern for 3 months, 6 months or the whole year. The new interns arrive in early September 2018 and depart in June 2019.

Our interns support teachers in the Spanish Immersion classrooms at Laurel and Encinal, Spanish specialist classrooms at Laurel, Encinal and Oak Knoll and in the Spanish language classrooms at Hillview.

If you would like to be a host family or have questions regarding hosting an intern please contact our host family volunteer coordinator, Liliana Perazich  
415-297-0125 or email [lilgol@yahoo.com](mailto:lilgol@yahoo.com).
