

Forestry and Wildlife School for Landowners

The Alabama Association of Conservation Districts Forestry and Wildlife Standing Committee has sponsored the forestry and wildlife workshop for landowners for the last 14 years. It has gained popularity each year and provides landowners with a wide array of practical management information to help improve their wildlife habitat and timber production.

For additional information regarding the Forestry and Wildlife Workshop, contact the Walker County District Administrative Coordinator (DAC) Stacy Williams at (205)387-1879.

Hosted By:

Sponsored By:

"USDA is an equal opportunity provider and employer."
