### August

ForestHER: Managing for Wildlife

August 11, 2020

12:00PM to 1:00PM

ForestHER: Managing for Wildlife is for any woman that owns forestland or is just interested in learning more about wildlife management in a relaxed, fun, online setting. Join us during your lunch break as Regional Extension Agent and Wildlife Biologist, Bence Carter, discusses management strategies that will benefit wildlife species on your property.

Registration:

<https://www.aces.edu/go/foresther-wildlife>

### September

ForestHER: Forest Health

September 8, 2020

12:00 to 1:00PM

ForestHER: Forest Health is for any woman that owns forestland or is just interested in learning more about maintaining healthy forests in a relaxed, fun, online setting. Join us during your lunch break as Regional Extension Agent and Registered Forester, Drew Metzler, discusses promoting healthy forests, and insects and diseases that impact southern forests.

Registration:

<https://www.aces.edu/go/foresther-foresthealth>

### October

ForestHER: Timber Products

October 6, 2020

12:00PM to 1:00PM

ForestHER: Forest Products is for any woman that owns forestland or is just interested in learning more about products that come from our forests in a relaxed, fun, online setting. Join us during your lunch break as Extension Specialist and Forestry Professor, Dr. Adam Maggard, discusses products, terminology, and markets of southern forests

Registration:

<https://www.aces.edu/go/foresther-timberproducts>

### November

ForestHER: Prescribed Fire

November 3, 2020

12:00PM to 1:00PM

ForestHER: Prescribed Fire is for any woman that owns forestland or is just interested in learning more about prescribed fire in a relaxed, fun, online setting. Join us during your lunch break as Forestry Professor, Dr. John Kush, discusses historic fire regimes and how prescribed fire can and should be used as an effective land management tool.

Registration:

<https://www.aces.edu/go/foresther-fire>

### December

ForestHER: Map Reading

December 1, 2020

12:00PM to 1:00PM

ForestHER: Map Reading is for any woman that owns forestland or is just interested in learning more about forestry in a relaxed, fun online setting. Join us during your lunch break as Extension Specialist and Forestry Professor, Dr. Becky Barlow, discusses the types of maps and guides participants on how to interpret information found on these maps.

Registration:
