Guided Tour of QuickBooks

Whether you are new to accounting computer programs or you want to learn some new tips and tricks for using QuickBooks, this four-hour in-person course will provide you with a tour of how to navigate QuickBooks, a basic review of accounting terms, and an overview of various functions within the software in a fun environment. This class is slower paced so students new to QuickBooks can become more comfortable with the software. This course is monitored by the instructor and Q&A will be provided via the classroom chat. Students will receive an invitation the day before class begins. Students are strongly encouraged to attend the classroom tour on July 7, at Noon PST/3pm EST. Class will be open on July 7, following the classroom tour, and you can join the class until August 3. The class is self-paced and must be completed by September 3.
