

Hi it's Debbie from bff. How is your new phone?

Read 7:24 PM

Hey, it's awesome!

I love you guys because all of you do so much for us and that's what I plan to do with my life!! To make the world a better place and I think that you guys are role models for that matter!! Thank you so much for everything and not just the phone but for helping me with assignments when I needed it the most!! Because I really appreciate it💕💕
