Dear Highlights Magazine,

My name is G

im 10 years old im from Boca
Raton, Florida and I am in 5th grade
at Waters Edge Elementary.

My reading tutor brought a
Highlights Magazine for us to read.

I was not interested in the
Magazine when I saw the cover.

I thought it was better for my
little brothers. Once I opened it
I realized that the articles would
interest me.

I think if you didnt use cartoon
for the cover more kids my
age would want to read your
Highlights Magazine.
