

COVID-19 UPDATE: AREA CLOSURES & DOWNTOWN UPDATE

UPDATED MARCH 23RD

To prevent the spread of the COVID-19 Virus many business are taking steps toward limiting gatherings.

Below, you will find a list of area businesses that are closing momentarily or limiting hours at this time.

Gov. Tim Walz announced March 16th that the state of Minnesota will temporarily close bars, restaurants and other venues of accommodation (businesses of accommodation include places such as: gyms, fitness centers, tanning establishments, body art (tattoo/piercing) establishments, massage therapy (or other like works), spas, salons, nail salons, cosmetology salons, and barber shops) until 5 p.m. March 27th. As of March 23rd at 5PM all non-essential or elective surgeries and procedures, including non-emergent or elective dental care must be postponed indefinitely.

In a situation, like the current one facing our nation, it is of the utmost importance that we continue to support our community and area businesses! Please make sure you are practicing safe measures, not only for yourself, but for others.
