BOY SCOUTS OF AMERICA®

Isaac Kakiko Eagle Project

Join me during my Eagle Project at College Settlement Camp to help me remove and reconstruct the kayak rack down at the boat dock. The reconstruction will be the same base design as the current rack, but we will add a second layer to the rack to allow for more organization of the kayaks and less stacking, as you can see from the picture, the kayaks aren't very organized.

When: June 8th & 9th from 9am-3pm

Where: College Settlement Camp Boat Dock - 593 Witmer Rd, Horsham, PA 19044

What to bring: Work gloves, safety goggles, close-toed shoes, drills, & screw drivers

Food and beverages will be provided!
