scan this QR code.**

### Candidates must meet the following criteria to have a mammogram:

- 35 years old or older (anyone under the age of 40 years old will be responsible for making sure their health insurance covers screening mammogram).
- Not currently receiving treatment for or diagnosed with breast cancer within the past 2 years
- No new breast health issues such as a palpable lump, skin changes or nipple discharge
- Not currently breastfeeding and have not breastfed within the last 6 months
- No mammogram within the last 12 months

- All exams are performed by a registered mammography technologist on state-of-the-art 3D mammography equipment.
- Candidates should bring a current photo identification and insurance card.
- The mobile unit has a comfortable waiting area and private dressing room for your comfort.
