Thursday, September 21, 2023

School pictures are a cherished keepsake of a special time in your child's life. Make the most of picture day by following these simple tips:

- Advise children to follow the photographer's instructions.
- Have children wear dark, solid colors for best reproduction.
- Haircuts should be at least two weeks old in order to look natural for picture day.
- You will receive a preview of your child's picture approximately two to three weeks after picture day.

Have more questions? Our on-site picture day staff is more than willing to help with any of your questions or concerns or you can contact us at our home office.
