MS. WOODWARD CHOSE HER CAREER BECAUSE SHE WAS CLUELESS ABOUT WHAT SHE WANTED TO DO WHEN SHE WAS AT UGA. SHE THOUGHT ENGINEERING WAS THE WAY TO GO, BUT QUICKLY REALIZED IT WASN'T HER CUP OF TEA. LUCKILY, HER FAMILY HAS A LONG HISTORY IN EDUCATION SO SHE GAVE IT A SHOT & GUESS WHAT? IT CLICKED! NOW, SHE'S TEACHING A TECHNOLOGY & ENGINEERING CONNECTIONS CLASS WHICH IS CRAZY BECAUSE IT FEELS LIKE SHE'S COME FULL CIRCLE.

WHAT SHE LOVES MOST ABOUT MCMS IS "THE STRONG SENSE OF COMMUNITY AT MY SCHOOL, WHERE COLLABORATION AND SUPPORT AMONG COLLEAGUES AND STUDENTS THRIVE. ADDITIONALLY, WITNESSING THE GROWTH AND ACHIEVEMENTS OF MY STUDENTS AS THEY PROGRESS IN THEIR EDUCATION IS INCREDIBLY REWARDING."

What she's most proud of in her career is being named the 2021 MCMS Teacher of the Year. It was a great honor to be chosen by her colleagues to represent the school.
The challenges of COVID were difficult for everyone, but receiving that award made her feel grateful & appreciated.

"I am profoundly grateful to be alive and to have the opportunity to work in such a supportive environment. Life itself is a precious gift, and being surrounded by colleagues and students who uplift and encourage me makes each day more meaningful. This gratitude fuels my dedication and enthusiasm in both personal and professional pursuits."
