

How to translate the Passport website into another language

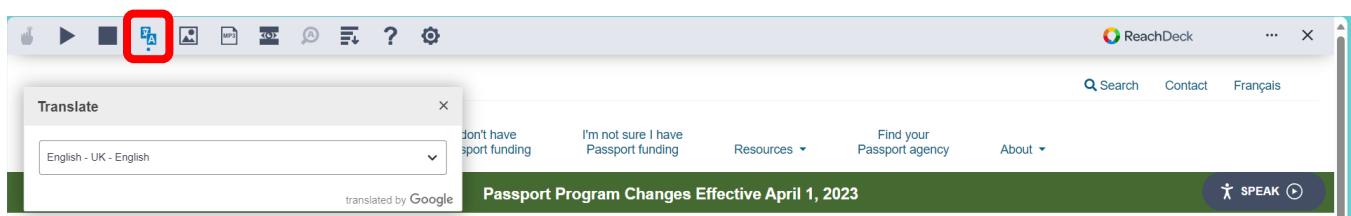

Step 1: Go to www.passportfunding.ca and click on **SPEAK** at the top right of the page.

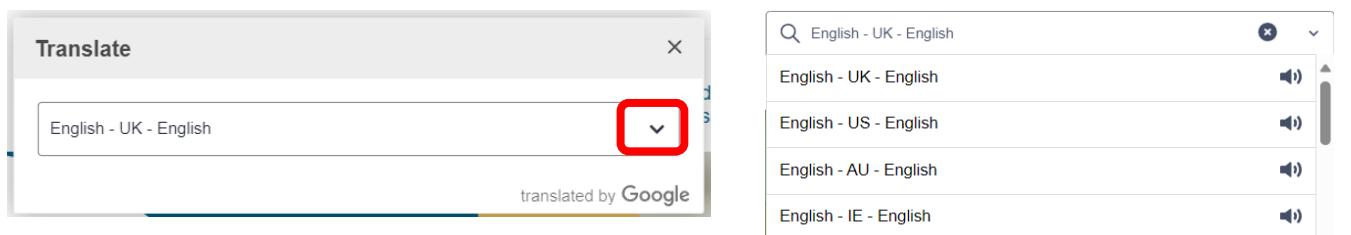

The **ReachDeck toolbar** will open at the top of the page.

Step 2: Click the **language options button** on the ReachDeck toolbar. This will open the translate dropdown box.

Step 3: Click on the **dropdown arrow**. The language menu will open.

Step 4: Scroll down the list and **click on your preferred language**. The website will then change into your language choice. You can then close the translate box.
