

*Hello, My Name is*  
Shalini  
Saxena

I was born in Mathura and raised in Muzaffarnagar, Uttar Pradesh, India. I have resided in the United States for 29 years.

My spouse is a tech executive and is creating his own AI company. I am the proud mother of a daughter and son, both of whom work in the tech industry.

I enjoy dancing, painting, and cooking, which allow me to stay creative, relaxed, and connected with my family.

I am inspired to work at the HERS Breast Cancer Foundation because of its commitment to supporting patients throughout their breast cancer journey. Its mission to provide essential products and compassionate care aligns with my desire to give back to the community and make a meaningful difference.
