

**Global Virtual Conference
February 8-10, 2021**

The Impact100 Global Conference will take center stage to celebrate its 20th anniversary. Gathering women virtually from around the world, to celebrate the Impact of collective giving, now reaching over \$100 million in transformational local grants, in 63 communities with over 15,000+ women. Join us in support to empower and celebrate the power of women working together to transform their communities.

Your support will inspire women everywhere to ignite new Impact!
