#### **Treasurer Report, Venkat Ganti**

The December beginning balance was \$88,473.02; The January ending balance was \$85,502.12. Income was \$9,408.94, the bulk of which was generated from the Holiday Bazaar, Pass the Hat and Matching Funds. Expenses were \$12,379.84, the bulk of the which were PTSA grants and RHS Help.

The mid-year financial review will take place by the end of Feb. Three volunteers are required for the review. Volunteers Chanbir Mann and Christine Fei have volunteered, leaving one additional volunteer needed. The Mid-Year Review Committee will be appointed at the February BOD meeting.

#### **Holiday Bazaar, Elizabeth Christian**

Overwhelming feedback from vendors and customers was that the Holiday Bazaar was a great success. There were 125 vendors in attendance, offering a broad variety of goods for sale. The Bazaar planning committee met in Dec to discuss ways to increase Bazaar efficiencies and experiences next year. Planning will begin in August for the 2020 Bazaar.

#### **Principal Report, Jill VanderVeer**

Principal VanderVeer relayed that \$6,000 in gift card and RHS Help was provided to RHS students and families in need this holiday season. Many thanks were extended to all who donated to these causes!

LWSD has expanded possible Graduation Pathways, which RHS will soon share. For those graduating June 15, 2020, RHS has finalized the graduation gown: It will not include a signifying year on the sleeve. In an effort to be sustainable and mindful of costs to families, these gowns are able to be reused by future classes, as long as the design remains the same.

LWSD supplied electricity to the new turn-style entry west of the stadium. Communication regarding this project was sent to the bordering neighborhood, as well as the RHS community. Overwhelmingly, the response has been positive.

#### **Kimberly Herring, Councilor**

2020-2021 class registrations are underway. Beginning registration in January will allow RHS to determine staffing needs as early as possible. Councilors are available to assist students in this process. Registration open enrollment is 1/15-1/24. Registration request can be changed up until 1/24, at which time they will be "locked in." The course catalogue is available in Skyward.

Future Freshman Parent Information sessions will be held 1/8/2020 and 1/22/2020.
