National Merit Semifinalists [Top ½ of 1% of all junior students taking the PSAT]

National Merit Semifinalists are the highest scoring participants in each state, representing about ½% of the state's juniors taking the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT). About 16,000 Semifinalists are named each year. Students who are recognized publicly as Semifinalists in the National Merit Scholarship Program have an opportunity to advance in the scholarship competition by qualifying as Finalists. Only Finalists are considered for Merit Scholarships, totaling more than $34 million.

National Merit Commended Students [Top 5% of all junior students taking the PSAT]

About 34,000 participants in the National Merit Scholarship Program are designated Commended Students. A nationally applied selection index score on the PSAT/NMSQT is used to name Commended Students without regard to state-by-state distribution. These students represent the top 5% of all juniors who take the test.
